

Making SOLT Fun—

These are fun, great ice breakers and educational. This type of exercise helps members remember.

Jeopardy – Takes time but makes for a lot of fun and very interesting. Make sure you have new and seasoned members on the same team. Tailor some of the questions to fit your club.

Puzzles – Fast and fun.

Bingo – Make a game with a name or date, etc. as you call out the name, they answer and first one to get bingo gets a prize.

Beach Ball Toss – Make a list of facts you would like to teach to your members. Have them stand in a circle. Toss the ball to someone, they answer the question then they toss to someone else for the next question.

Acronym Sheet – Make a list of the acronyms we use to describe things such as LYD, SIA, SAR, SOLT, this helps newer members understand what you are talking about.

Newsletter -

- Prize question

- Special article to discuss at meeting

- New member information item

- Explain each office or committee
